Introduction

World Health Organization Phases of an Influenza Pandemic (2005)

List of Acronyms and Abbreviations

Core Parts of Plan:

Part A Command, Control and Management Procedures

Part B Surveillance

Part C Vaccine Preparedness and Response

Part D Antiviral Preparedness and Response

Part E Medical Response

Part F Preparedness in Healthcare Facilities

Part G Communications

Appendices:

Command, Control and Management Procedures

A-1 Appendix 7 to Annex B of the North Carolina Emergency Operations Plan

A-2 Standard Operating Plan for the Public Health Command Center

A-3 Planning Matrix for the NC Public Health Preparedness and Response to
Pandemic Influenza

A-4 NC Division of Public Health Pandemic Influenza Organizational Chart

Surveillance

B-1 Enhanced Surveillance for Avian Influenza in Humans

B-2 Human Influenza A (H5) Domestic Case Screening Form (CDC)

Vaccine Preparedness and Response

C-1 Influenza Vaccine Estimations Worksheet

C-2 Instructions for Influenza Vaccine Estimations Worksheet

C-3 Influenza Vaccine Doses Administered Worksheet

C-4 Instructions for Influenza Vaccine Doses Administered Worksheet

Antivirals

D-1 Antiviral Medication Estimations Worksheet

D-2 NC DHHS Distribution Plan for the SNS

D-3 Antiviral Distribution Plan

Medical Response

E-1 Hospital and Pre-hospital Assessment

Communications

G-1 Intrastate Crisis Communication Enhancement Network (ICCE Net)

G-2 NC DHHS PAO Crisis Communication Plan

G-3 Epidemiology Section Information Management Matrix

Laboratory Diagnosis

- H-1 NC State Laboratory of Public Health Pandemic Influenza Plan
- H-2 Laboratory Submission Form NC DHHS 3431

Community Containment

- I-1 Community Containment Planning
- I-2 Home Care for Pandemic Influenza

International Travel

- J-1 Managing Travel-related Risk of Disease Transmission

Mass Fatality

- K-1 Mass Fatality Planning for Pandemic Influenza
- K-2 Contact Information for Mass Fatality Planning

Legal Preparedness

- L-1 Statutory Authority to Address Pandemic Influenza
- L-2 Isolation Order Template
- L-3 Quarantine Order Template
- L-4 Governor's Emergency Order Template

Behavioral Health

- M-1 DMH / DD / SAS Influenza Pandemic Response

Pandemic Influenza Information

- N-1 Pandemic Influenza Primer
- N-2 Pandemic Flu FAQs

Ethical Issues in Pandemic Influenza Planning and Response

- O-1 NC Institute of Medicine Ethics Task Force Report

Healthcare Provider Information

- P-1 Clinical Algorithm for Detection and Management of Suspect Cases of Avian Influenza H5N1 in Travelers
- P-2 Reporting of a Suspect Case of Avian Influenza H5N1 Worksheet
- P-3 Clinical Guidelines for Pandemic Influenza (American Academy of Family Physicians)

Rapid Response Containment

- Q-1 Rapid Response Containment Plan (Quenching)

Vulnerable Populations

- R-1 Refugee Health and Pandemic Planning

Business Continuity

- S-1 Continuity of Operations Planning for Businesses

Local Health Department Toolkit:

Local Health Department Roles by Pandemic Phase

Enhanced Surveillance for Avian Influenza in Humans (Appendix B-1)

Influenza Vaccine Estimates Worksheet (Appendix C-1)

Instructions for Influenza Vaccine Estimates Worksheet (Appendix C-2)

Influenza Vaccine Doses Administered Worksheet (Appendix C-3)

Instructions for Influenza Vaccine Doses Administered Worksheet (Appendix C-4)

Antiviral Medication Estimations Worksheet (Appendix D-1)

Determining County-level Impact of Pandemic Influenza

Designating Alternate Sites for Use during an Influenza Pandemic

Considerations when Designating Alternate Sites

Pandemic Influenza Plan Checklist for Local Health Departments
