

## Interested in Joining CDC's *One & Only Campaign*? Become a Member today!

### What do Members do?

**Members support the dissemination of safe injection messages.** They do this by using social media, YouTube, continuing education, advertising, and print materials for healthcare providers and patients.

Membership is **free** and open to professional organizations, healthcare systems, provider groups, private companies, health departments, and others.

### What do I get by becoming a Member?

- Recognition on the *One & Only Campaign's* website
- Injection safety news and updates (e.g., Weekly Digest, RSS)
- Special email updates with announcements and new materials
- Members can access the following FREE materials for distribution:
  - o Infographics, posters, brochures, checklists
  - o Toolkits
  - o Digital Press Kit
  - o Injection safety training videos and podcasts
  - o Continuing education credit opportunities

**Becoming a Member is simple!** Join the *One & Only Campaign* and help raise awareness among patients and healthcare providers about safe injection practices. Your support and commitment will help eradicate outbreaks resulting from unsafe injection practices.

To become a Member, contact Jennifer Mitchell at [jennifer.mitchell@cdc.hhs.gov](mailto:jennifer.mitchell@cdc.hhs.gov) or call (404) 639-1334.
