Dear Mr. Burnett:

Robeson County will be seeking to contract for aerial spraying to control the tremendous mosquito population that has occurred due to Hurricane Florence. As I understand it, this request should address six areas:

2. Local health director request
 - a. Clark Mosquito Control
 - b. Robeson County (approximately 250,000 acres spraying area)
 - c. Mosquito
 - d. Duet HD or Dibrom
 - e. Beginning October 5 until completion
 - f. Aerial spraying to control mosquito population

Sincerely,
